Medicare Set-Aside Basics [Recording]

Event Details

When: Where: [Register Now](#)

Workers' compensation payers are under increasing pressure to consider and protect the interests of Medicare when settling claims. This is especially true with claims shifting, which can result in significant penalties and fines. In this webinar, Deborah Robinson Stewart, national manager of Medicare Set-Aside Services at Genex Services, explains the importance of complying with Medicare Secondary Payer matters and helps attendees understand how Medicare Set-Asides (MSA) can assist in meeting these obligations.
