Dental Trauma and Facial Injuries

Event Details

When: October 28, 2021 @ 2:00PM EDT Where: [Register Now](#)

Each year, thousands of employees sustain on-the-job facial or eye injuries from accidents that could have been prevented with the proper selection and use of face protection. Such injuries cost industries more than \$300 million per year in lost production time, medical expenses and compensation. This course is designed to increase awareness of dental and facial injuries in the workplace while highlighting the latest advances in surgical treatment and prevention equipment.

Earning CEU Credit

Genex Services has partnered with the CEU Institute, a nationally accredited CE provider to offer webinar/classroom equivalent credits towards a variety of certifications and licenses. Workers' Compensation Adjusters and Nurse Case Managers are eligible for 1 CE credit for each 1 hour course.

Nurses: RN, LPN, ARNP, CNA, CCM, CDMS, CRC, COHN, and MSCC: nationwide

Adjusters: Approved: AK, AL, AR, DE, FL, GA, ID, IN, KY, LA, MS, MT, NC, NH, NM, NV, OK, OR, OR-WC, TX, UT, WV, WY, CA: Workers' Compensation post-designation

Attendees wishing to receive CE credit for webinars must attend the online live webinar event in full (minimum of 50 minutes per hour), attend the QA session, and answer the polling questions throughout. If you watch the webinar after the live event, you will be watching a recording and will not qualify for CE credits.
