# Upper Extremity Injuries: Arm and Wrist [Recording]

## Event Details

When:   Where: [Register Now](#)

Hand and wrist injuries are a growing concern in the workplace, causing 110,000 employees to lose work days annually. ?Pamela Rast, PhD, of Texas Wesleyan University, will discuss how to identify work- and non-work-related risk factors to identify, manage and prevent these injuries. OSHA's role in injury prevention will also be discussed.
